South High May Get Temporary Rooms in Fall

Because of construction delays, some temporary classrooms may have to be set up at South High School next fall, the Torrance Board of Education was told this week.
 Work on classroom additions to the school was delayed somewhat by difficulties in pouring foundations, but is proceeding at full steam ahead now, officials said. However, the buildings may not be ready by September.
 The present enrollment at South High will increase from

National Supply Acquires Fluid Packed Pump

Acquisition of the Fluid Packed Pump Co., Los Nietos, Calif., was announced today by the National Supply Co.
 Established in 1925, Fluid Packed specializes in the manufacture of the "Oilmaster" equipment for oil country use. National Supply, which is one of the largest manufacturers and distributors of oil field machinery and equipment, has been international distributor for the company's products, except for a few independent outlets, since 1945.
 The company has about 400 employees.
 In announcing the acquisition, A. W. McKinney, president, said National Supply would operate Fluid Packed as a division, with Sidney Shuman as chief executive officer.
